Diving is at your own risk! We encourage safe diving within your own limitations and always diving with a buddy. If you do not have a buddy, one can usually be found at the dive site. Non-members are invited to participate in club dives and events.

Children under 15 should be accompanied by a parent or a representative of the parent when engaging in club activities.

Although the club emphasizes lawful and safe diving practices, the club takes no responsibility for the actions of its members or guests. There is no accounting for some people!
